

PiE Alumni Scholarship Recommendation

This document is a print-friendly version of the scholarship recommendation form, provided for your convenience only. Please complete your recommendation online. You should receive instructions by email after your student submits a request through the scholarship portal at <https://pioneers.berkeley.edu/programs/scholarship/>.

Pioneers in Engineering strives to provide a quality STEM educational experience for Bay Area high school students. In keeping with our mission to promote science and engineering, we are happy to announce our third annual PiE alumni-funded scholarship for students who are in their last year of high school, have participated in PiE, and are looking to pursue a post-secondary education. The Pioneers in Engineering Alumni Scholarship will be for a **one-time amount of \$2000**.

Recommender's Personal Information:

First Name: _____	Last Name: _____
Occupation: _____	
Phone: _____	
Email: _____	

Your recommendation should include how long and in what context(s) you have known the applicant and why, in your opinion, she/he would merit this scholarship. The scholarship committee will review each application holistically, taking into account **academic achievement, extracurricular activities, leadership skills**, and **passion**. As a STEM organization, we are especially interested in how the applicant's pursuits involve science and engineering.

For any questions about the scholarship or application, contact us at scholarship@pioneers.berkeley.edu.

The deadline for submission of recommendations is April 8, 2016.
